Dear Uphams Corner Health Committee, Inc.:

For more than 50 years, health centers have delivered affordable, accessible, cost-effective, and quality primary health care to patients regardless of their ability to pay. Health centers advance a model of coordinated, comprehensive, and patient-centered care, integrating a wide range of medical, dental, mental health, substance use disorder, and patient support services. Today, nearly 1,400 health centers operate more than 11,000 service delivery sites that provide primary health care in every U.S. state, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, and the Pacific Basin.

In recognition of your 2018 Quality Improvement Award, the Health Resources and Services Administration is proud to present you with the enclosed certificate of achievement.

As a National Quality Leader, Uphams Corner Health Committee, Inc. exceeded national clinical quality benchmarks, including Healthy People 2020 goals in chronic disease management, preventive care, or perinatal/prenatal care.

Thank you for your commitment to providing quality primary health care services to your community.

Sincerely,
